# Notice

The Association of Novi Sad Architects - DaNS is inviting all interested parties to submit their work for the exhibition at the 23<sup>rd</sup> Salon of Architecture Novi Sad, which will take place from October 15<sup>th</sup> until October 30<sup>th</sup> 2022. The 23<sup>rd</sup> Salon of Architecture Novi Sad is to be opened on Saturday, October 15<sup>th</sup> 2022 at 19.00, at the Gallery of the Academy of Arts, at 20 Mihajlo Pupin Boulevard in Novi Sad.

The international orientation of the Salon of Architecture Novi Sad is being recognised as one of the Salon's identities, more specifically the orientation that concerns our immediate environment and joint cultural space.

Hence, the participants from Serbia, Croatia, Bosnia and Herzegovina, Slovenia, Montenegro, North Macedonia, as well as from Hungary and Romania can equally compete for the Salon awards regardless of whether their works are from these countries. The Salon of Architecture Novi Sad wants to showcase an overview of the architectural practices precisely from a region depicted in this way, in order to create better conditions for its understanding. The experiences of local regional scenes are different, which is why it is necessary to cherish the places where they cross paths and where they are questioned, which is what the Salon of Architecture Novi Sad has been doing ever since its first edition in 1993.
