## Gospodarska javna infrastruktura

- 
- The diagram illustrates various types of underground cables and their symbols. Each cable type is represented by a horizontal line with specific markings, and its name is listed to the right:
- Vodovod**: Represented by a dashed blue line.
  - Kanalizacija za odpadne vode**: Represented by a solid green line with diamond-shaped markers.
  - Elektrika niska napetost**: Represented by a dashed red line.
  - Elektrika visoka napetost**: Represented by a dashed red line with cross markers.
  - Plinovod**: Represented by a solid yellow line.
  - Vroćevod**: Represented by a solid black line with vertical tick marks.
  - Javna razsvetjava**: Represented by a dashed purple line.
  - Optični kabel**: Represented by a solid grey line.
  - Kabelska kanalizacija**: Represented by a dashed grey line.
  - Elektronske komunikacije**: Represented by a dashed orange line.
