# CALL FOR SUBMISSIONS

## Notice

The Association of Novi Sad Architects - DaNS is inviting all interested parties to submit their work for the exhibition at the 25<sup>th</sup> Salon of Architecture Novi Sad, which will take place from 03 - 11.10.2026 at the Museum of Contemporary Art of Vojvodina.

Since this year marks the 25<sup>th</sup> time that we are organising the Salon of architecture of Novi Sad, it is justifiable to contemplate the value of these exhibitions and where they fit within a digital culture of presenting architectural works on social media.

We believe that the gathering and presentation of authors and their projects in one space is still the best way to build shared experience and knowledge which affirm the profession.

Once again, the Salon will showcase today's regional architectural scene, as well as common denominators in response to growing tensions between factors that shape architecture and urbanism in the region.

## Propositions

The Salon of Architecture Novi Sad is international. The call is open to participants from Serbia, Croatia, Bosnia and Herzegovina, Slovenia, Montenegro and North Macedonia, as well as from Hungary and Romania.

Participants are asked to submit their proposals in the following categories:

- 1. Architecture** (realised);
- 2. Urban design** (realised);
- 3. Interior Design** (realised);
- 4. Competition Entries and Unrealized Projects in Architecture, Urban Planning and Interior Design;**
- 5. Digital Space and Experiment in Architecture, Urban Planning and Interior Design;**
- 6. Student works;**
- 7. Publications;**
- 8. Initiatives** (awards for this category shall not be assigned)

We would like to clarify that the 4. Competition Entries and Unrealised projects in Architecture, Urban Planning and Interior Design category should include competition entries, unrealised or conceptual projects. The category 5. Digital Space and Experiment in Architecture, Urban Planning and Interior Design should include projects from the sphere of architectural visualisation, animation, game design, parametric design, digital fabrication, generative and interactive design, and alike, as well as from scene design, installations and ephemeral architecture. The category Initiatives refers to activities of an individual or an organised group of people, formal or informal, who defend the wider interests of the community in regards to architecture and urban planning with their initiatives.

As to promote good architectural and urban planning practices in Vojvodina, a special honourable acknowledgement will be awarded to a project in this territory, chosen among the applications from the Salon categories 1 and 2.

Proposals for the 25<sup>th</sup> Salon of Architecture Novi Sad, either projects or realizations, must be no more than 3 years old, to be more precise they must be from the years 2023, 2024, or 2025. and they mustn't have been submitted to the previous edition of the Salon. One application can contain only one proposal, submitted in only one category. Application forms can be submitted in Serbian or in English.

## **Technical information for the submission of entries (for the pre-selection phase)**

One application refers to one entry in one category.

If an author wishes to submit multiple works, they must be sent as individual applications.

One application includes the filling of the online application form, as well as sending the material in digital form.

The zipped package file is to be sent to:  
**salon.arhitecture.ns@gmail.com**

1. The application form is to be filled online and can be accessed via the following link: **Online Form**

2. Apart from the application form, it is necessary to upload a material package in .RAR or .ZIP format, titled according to the following form:

surnameofoneauthor\_number\_category.rar

For example: petrovic\_1\_architecture.rar

The number at the end refers to the personal number of submitted entries, in the case one author submits more than one entry.

This package should include:

- a maximum of 10 drawings which best illustrate the project (plans, sections, diagrams, photographs, renderings, etc.) in .JPG or .PDF
- a project description of maximum 2000 characters (including spaces)
- if authors wish to send a video or animation, please send a link for online viewing

The subject of the e-mail should be the same as the name of the file.

For example– petrović\_1\_arhitektura.
